

## **Rules and Articles of the Video Streaming Project**

### **1. Cryptocurrency Payment Method:**

**1.1** The Video Streaming Project accepts payments and rewards in cryptocurrencies, including Ethereum, Litecoin, Shiba Inu, Ethereum Classic, NEM, DigiByte, Bitcoin Diamond, Peercoin, Vertcoin, eCash, Monero, Zcash, BitcoinZ, Ravencoin, DigitalNote, and Reddcoin.

**1.2** The platform is centered around the value of cryptocurrencies, not real-world money. Therefore, payments will be made exclusively in cryptocurrencies, as agreed with users and content creators.

**1.3** The maximum payment for any transaction on the platform will be 100 cryptocurrencies.

**1.4** If content creators wish to exchange their cryptocurrencies for fiat currencies such as USD, Euro, or other real-world currencies, they are free to do so on cryptocurrency exchanges like Binance or Coinbase.

**1.5** The default cryptocurrency used will be the most undervalued and highest-volume, enabling the owner to honor payments to users and content creators.

### **2. Sale and Rental of External Videos:**

**2.1** Content creators are allowed to sell or rent their external videos through the platform, provided they adhere to the rules set forth by the Project.

**2.2** Sale or rental transactions must be conducted exclusively in cryptocurrencies listed on the platform.

### **3. Updates on Cryptocurrencies:**

**3.1** If a specific cryptocurrency ceases its activities or runs out of reserves, the Video Streaming Project will notify all creators and users about the situation and take appropriate measures.

### **4. Prohibition of Pyramid Schemes and Illegal Practices:**

**4.1** The Video Streaming Project has no association with pyramid schemes or any illegal practices. Its purpose is to provide a content-sharing platform based on cryptocurrencies.

### **5. Age Rating and Content:**

**5.1** All videos on the platform must be categorized into age groups L, 10, 12, 14, 16, and 18, adhering to specific standards for each type of external content.

**5.2** Posting child pornography or any content violating laws related to child protection is strictly prohibited.

### **6. Fake News and Hate Speech:**

**6.1** The spread of fake news on the platform is prohibited. Content creators who post fake news will be suspended for one year. In case of recurrence, the account will be permanently terminated for just cause.

**6.2 Hate speech, severe offenses, racial prejudice, color, gender, sexual orientation, religion, or any form of violence in homemade videos is prohibited. Respect all users and creators.**

**7. Copyright and Creative Commons:**

**7.1 Content creators have the freedom to choose Creative Commons Licenses 1 through 6 for their internal videos, as well as to use copyright for their external videos.**

**7.2 The Video Streaming Project follows the standards set by LAW No. 9,610, dated February 19, 1998, regulating copyright in Brazil.**

**8. Video Resolution and External Hosting:**

**8.1 Videos on the platform must have a 16:9 aspect ratio. The 9:16 aspect ratio is prohibited.**

**8.2 It is allowed to use external hosting services such as Google Drive, supporting playback of videos in .mp4 or .m3u8 format via direct URLs.**

**9. Local Hosting and Video Download:**

**9.1 Content creators can host their videos on internal networks such as local servers, computers, smartphones, Windows, Linux, or MAC OS X.**

**9.2 Users can put their own videos for download on their devices, respecting Creative Commons standards if they exceed 12 hours in duration.**

**10. Virtual Identity and Accounts:**

**10.1 Each user or content creator will have their virtual identity on the platform, limited to one account.**

**10.2 Creators' names must be accurate, and all accounts will be verified.**

**11. Verification of External Videos:**

**11.1 All external videos must be verified and include information about the license, age rating, and content certification to ensure transparency for users.**

**12. Commitment to Truth and Respect:**

**12.1 The platform advocates for truth and is committed to not endorsing any form of hate speech, fake news, or harmful content.**

**12.2 Sharing illegal tutorials or instructions that violate the law is strictly prohibited.**

**13. Prohibition of Gambling and Dangerous Content:**

**13.1 Gambling and any dangerous content, such as fire experiments, bombs, or security violations, are prohibited on the platform.**

**14. Live Streams and Educational Use:**

**14.1 Testing live broadcasts in the internal mode of the platform is permitted, considering the potential use of internal IPs.**

**14.2 Content creators with experience or education in fields such as education, medicine, and public services are welcome on the platform.**

**15. End of the Video Streaming Project:**

**15.1 If the owner of the Project decides to terminate the project before October 27, 2080, they will communicate with all users and creators.**

**15.2 In case the owner is absent due to their passing, the platform will cease operations, and all payments will be finalized by the stipulated date.**

**16. Payment Method and Wallets:**

**16.1 The platform accepts only cryptocurrency payments, not traditional currencies. Users must install a cryptocurrency wallet, such as Coinomi, to conduct transactions.**

**17. Final Notice:**

**17.1 The Video Streaming Project reiterates that it is not a pyramid scheme or illegal practice. It is a content-sharing platform based on cryptocurrencies.**

**17.2 The platform aims for respect and transparency with all users and content creators, fostering a collaborative and secure community.**

**Article 18: Scoring and Rewards**

**18.1 The Video Streaming Project offers a scoring system for users who regularly use our platform. Every action taken on the platform can earn points for the user, providing an interactive and engaging experience.**

**18.2 Actions that generate points include but are not limited to: watching videos, interacting with other users through comments and ratings, creating personalized playlists, sharing content on social media, and inviting new users to join the Project.**

**18.3 Points accumulated by users can be exchanged for rewards such as access to exclusive content, special merchandise, or temporary premium subscriptions.**

**Article 19: Level System**

**19.1 In addition to scoring, the Video Streaming Project also implements a level system for users. As the user accumulates points, they progress to higher levels, unlocking additional benefits and recognition within the community.**

**19.2 Levels provide access to exclusive features such as custom emojis, distinctive profile icons, distinctive badges, and priority in content updates and releases.**

**19.3 The level system is designed to encourage active and continuous user participation on the platform, rewarding their engagement and dedication.**

**Article 20: Transparency and Control**

**20.1 Users can track their scoring and level progress through a dedicated area in their profile, where they can also view available rewards for redemption.**

**20.2 The Video Streaming Project commits to providing full transparency about the scoring, levels, and rewards system, enabling users to fully understand how the incentive program works.**

**20.3 Users have the right to opt-out of the scoring and rewards system if desired, without negatively impacting their experience on the platform.**

#### **Article 21: Responsibility and Ethics**

**21.1 The Video Streaming Project reserves the right to change the rules, scoring criteria, and rewards of the system at any time, provided it is communicated to users clearly and transparently.**

**21.2 The scoring and rewards system is intended to be a positive incentive tool to stimulate user interaction and participation. The Project will not tolerate any abuse, attempts at manipulation, or inappropriate behavior aiming to obtain unfair scores.**

#### **21.3 In case**

**of suspicion of rule violation or improper use of the system, the Project reserves the right to take appropriate measures, including revoking points or levels, and in extreme cases, suspending or deleting users' accounts.**
